TECHNICAL
SERIES

Treated Hair
PH STABILIZER & CHEMICAL CLEANSER SHAMPOO

It brings back natural pH level of the hair while cleansing it from residues created by all chemical processes (hair dye, powder lightening, perm, etc.). It prolongs the life of the dye and increases its quality by fixing the pigments inside of the hair. It eliminates the chemicals from the hair and scalp; slows down to oxidation; prevents of hair color from fading and nourishes the hair. The formula - which is enriched with olive oil and vitamins B3, B5 and E- strengthens the mineral level and minimizes the dryness of the hair; thus, resulting with soft, voluminous and shiny hair.
